

# Kompatibilitätstabelle

(Welche Module passen zu welchem Flügel?)

---

| Flügel                                    | BUSSARD | MARVIN | TRILLIAN | RUPERT |
|---|---------|--------|----------|--------|
| <b>Modul</b>                              |         |        |          |        |
| <i>Rumpfrohr<br/>incl. E-Flug-Adapter</i> | X       | X      | X        | X      |
| <i>Nasenkappe</i>                         | X       | X      | X        | X      |
| <i>Heckkappe</i>                          | X       | X      | X        | X      |
| <i>RMA</i>                                |         |        |          |        |
| <b>-Bussard</b>                           | X       |        |          |        |
| <b>-Marvin</b>                            |         | X      |          |        |
| <b>-Trillian</b>                          |         |        | X        | X      |
| <b>-Rupert</b>                            |         |        | X        | X      |
| <i>DSA-Winglet</i>                        | X       | X      | X        | X      |
| <i>Hochstarthaken</i>                     | X       | X      | X        | X      |
| <i>Ballast</i>                            | X       | X      | X        | X      |
| <i>Verbinder (Ersatz)</i>                 | X       | X      | X        | X      |
| <i>Anlenkung</i>                          | X       | X      | X        | X      |

blau = erforderlich für einen kompletten NF

grün = nice to have
